7. RECEIVE REPORTS FROM COUNCILLORS

7.1. Play area still in need of some general maintenance (weeding, hedging) before new bark application, the quote having been considered expensive. FOTS approached but unable to help. Parish Council would be willing to appoint a paid 'maintenance person' if volunteers cannot be found.

ROSPA report received: low and medium risk issues; goals posts need replacing. Paul Playford suggested availability of sports grants and offered his help/expertise. It was suggested that finance committee look at putting monies aside next budget for equipment replacement.

Some issues with Norse contractual obligations; whilst resolved, agreed that there would be a careful inspection before paying second instalment of their account. All agreed that number of families using the facilities this summer has been pleasing.

Claire Kirby offered to track down responsibility with respect to litter bins.

7.2. Claire Kirby made extensive enquiries regarding possibility of oil buying group; through NRCC/Anglia Farmers, would need named co-ordinator; parishioners required to register name and address; orders placed 1st day of month; NRCC give price on day; a saving of approx. 9% per annum Parish Council happy to pay annual group membership of £20. Agreed to advertise information in Grapevine and Post Office to assess interest.

7.3. Written to Highways, but still no reply, expressing discontent that they have nothing to offer following site visit at Hales Street junction. Further outstanding signage issues, plus one opposite Ram. Chair to contact.

7.4. A parishioner has reported rainwater flooding their front drive in School Road; Highways report that they have done all they can. Paul Playford suggested that it may be helpful to request a (further) meeting with Highways engineer and physically visit particular sites of concern.

7.5. Pam Carpenter has expressed concerns regarding specific anti-social parking and driving issues; defer to next meeting to clarify details.

7.6. Peter Rowan, tree warden, expressed disappointment that this year he would not be taking up the usual SNC offer of free trees/hedging, due to lack of response and unfortunate timing. Parish Council assured him that they would be more aware next year.

7.7. Nothing more to report on parish partnership. Agreed that Acting Clerk would contact to see if any further information yet available.
