

The Friends of St Mary's Church, Tivetshall

Report for Annual Parish Meeting – 16th May 2017

This report is very short as nothing of note has occurred since last year.

The Armistice Day service was well attended by parishioners, children from the school and the short service officiated by Reverend David Mills. The British Legion were also in attendance.

Our thanks go out to Mr and Mrs Woodrow who have kept the churchyard clear, cut the hedge and attend to the flowers around the war memorial.

The visitor's book shows how many people enjoy this wonderful place.

Unfortunately, graffiti has appeared inside the ruined Church. The Police have issued a press release and the EDP will be publicising.

We have purchased graffiti remover and Maggie and I are hoping to get to the church asap to clean off the offending images.

Our funds are scant and any donation towards the cost of this from the Parish Council would be gratefully received.

Our funds amount to £107.00
