Hastoe Housing Association

Hastoe Housing Association has a public meeting at the village hall on Wednesday, September 29th between 4 and 8pm. All are welcome to pop in and see their staff and plans. (See page 3).

Simonds Bus Service

Simonds are saying the number of passengers using the Diss/Gissing/Tivetshall Maltings to Norwich route has decreased. The viability of the bus route is in question and Simonds say there needs to be a "large local input" and watertight case presented to obtain transport grants. If you are a regular user or have any comments please let the chairman or clerk know of your concerns and these will be passed on to the bus company, or alternatively write to Simonds Coach and Travel, The Garage, Botesdale, Norfolk IP22 1BX. *N.B. This is not the Rectory Road/A140 route that is affected.*

The Tivetshalls' Village Green Concept

On Tuesday, 13th July, 2004 an historic occasion took place.

The Parish Council bought for £1 the 1.2 acre Village Green for the Tivetshalls from Mr Danny Ward under the Section 106 Agreement with South Norfolk Council and on the site linking the village hall will be 10 Hastoe Housing Association dwellings built by Danny Ward Builders.

These will consist of four 2-bedroom, two 3-bedroom and four 1-bedroom dwellings. Within the scheme there are also six market-value dwellings. Work on site should start this August.

On Wednesday, September 29th from 4pm until 8pm, Hastoe Housing Association will be available anytime for discussions/applications from anyone who has an interest in the affordable housing scheme.

Hastoe's staff will be on hand to discuss individual housing needs and their plans will be on view and they welcome not only applicants but also the general public. Application forms will be available.
